

APPLICATION OF ELECTIVE SUBJECTS AND MODULES IN THE ACADEMIC YEAR 2025/26

Part-time Portorož

YEAR 1.

Within the foreign language (A2 level) **Italian** and **German** are offered (the student chooses one).

Students also have the option of choosing another foreign language course as an external elective subject worth 3 ECTS. Other course, which is not offered during the enrolment and is not in the curriculum, may be chosen by the student in accordance with the procedure of Internal electives between UP members, National exchanges or via the application of formal learning and skills, gained outside the study programme before enrolling to the 1st year of studies. The student cannot claim the completed Slovenian language course for foreigners.

YEAR 2.

All subjects are mandatory.

Students continue with their 2nd foreign language, chosen in the 1st year (Italian or German).

YEAR 3.

Module carried out:

- **Module Contemporary trends in tourism:**
 - Entrepreneurship in tourism Management of tourism information systems,
 - Innovation and tourism,
 - Sport tourism,
 - Marketing research in tourism.

FINAL PROJECT:

The students may successfully conclude their studies even if not choosing the Final Project, however, they must choose the additional elective subject **Strategic hotel management** (subject in frame of the Hospitality module) instead.

Professional training: 20 contact hours are completed in the 1st semester, the student completes 430 hours of independent work in the 2nd semester.
